Agenda

55th FOMIS Conference June 9-11, 2009

Wednesday June 10th

Visit John's Pass - Tour The Spice & Tea Exchange - Lunch at Bubba Gump Seafood Co.

At The Spice & Tea Exchange you will be exploring one of the finest selections of herbs, spices, blends, rubs and teas. Learn the purpose of blends and how to make cooking both exciting and easy. Proprietor, Lisa Coleman will mix one of their most popular blends, and you will have an opportunity to try some of the spices and teas. Each guest will take home a goodie bag with samples of some of the most popular blends.

Inspired by the movie "Forest Gump", Bubba Gump Shrimp Company is a fun and casual themed restaurant. It features down home décor reminiscent of the movie's setting in Alabama. Branded as an American icon, the restaurant showcases memorabilia and still photos from the movie, along with reproductions of script pages, storyboards and even some costumes. Guest can try on plaster casts of Forrest's
